

THE LEADER IN FUTURE EDUCATION
NEWS LETTER 2024-25

INVESTITURE CEREMONY

We conducted a grand Investiture Ceremony with pride and enthusiasm. The newly elected student council members were officially conferred with their badges and sashes, marking the beginning of their leadership journey. Our Principal and Chief Operational Officer encouraged the young leaders to uphold discipline, integrity, and teamwork in all their endeavors. The solemn oath-taking ceremony inspired every student to work towards the school's vision and values. The event concluded with a strong sense of responsibility, unity, and commitment among the newly appointed leaders.

Newsletter 2024-25

Success Comes to those who work hard and stays with those
who don't rest on the laurels of the past

Smt. S. Swarajya Lakshmi

Chairperson Message

Upholding and propelling the enduring legacy of the Founder Chairman, Late Sri S. Koteswara Rao, Mrs. S. Swarajya Lakshmi stands as a beacon of unflinching to his vision and mission. Revered for her approachable nature and passion for teaching, she continues to inspire generations as his true co-visionary, contributing profoundly to his educational pursuits.

School is the edifice on which a child's future is built, and the selection of a good school for your children and their formative education is a top priority.

Education and schooling have seen a remarkable shift in the 21st century, becoming more focused and aligned with the demands of modern society. In today's world shaped by rapid technological progress and economic innovations, education stands as the most powerful tool to prepare students for future challenges. Academic institutions not only impart knowledge but also instill enduring values, fostering holistic development that shapes individuals into responsible citizens and visionary leaders of tomorrow.

We believe that true holistic development stems from a fine balance of academic rigor, sports, and co-curricular pursuits. To foster independent thinking, a spirit of inquiry, self-confidence, and leadership, the school continually sets higher benchmarks of academic excellence.

At the heart of every educational journey lies the cultivation of a genuine love for learning. Guided by this principle, our caring and committed teachers strive each day to create joyful and enriching experiences for our students, making the school not just a place of learning, but a true home away from home.

Vikas The Concept School is not just an Institution; it is a cherished legacy that each 'Vikasians' inherits to nourish and flourish. Behind each Vikasian's success countless hours of dedication, unwavering perseverance shaping their excellence, and tireless effort reflected in their achievements. Our students are thus challenged to push beyond their comfort zones and to think critically and creatively.

I believe our students will excel in today's competitive world, emerging as exemplary citizens who uphold values and embrace responsibilities with confidence and integrity, shaping not only achievers, but future leaders who illuminate tomorrow with wisdom and vision.

"The future belongs to the competent. Get good, get better, be the best."

K. Durga Kumar Reddy

Principal Message

'Beyond books, we shape character and ignite potential'.

At Vikas The Concept School. Bachupally, every child is seen as a future leader in the making. On the journey of education, dreams lead the way and dedication fuels the path.

Our school is not just a place of learning, but a thriving community where values take root, creativity finds wings, and every learner is inspired to rise beyond the ordinary. We nurture not only sharp minds but also strong character—moulding compassionate, responsible, and purpose-driven leaders of tomorrow.

The road to success may not always be smooth, yet with perseverance, discipline, and vision, every challenge transforms into an opportunity. With a vision for holistic growth, Vikas The Concept School fosters an environment where each learner feels inspired to pursue their passions and empowered to face challenges with resilience because here, every stumbling block becomes a stepping stone, and every challenge a gateway to growth.

True education begins where textbooks end. At our school, we nurture holistic growth—shaping minds to think, hearts to feel, and spirits to lead with purpose. Through academics, sports, arts, and community service, we empower every student to dream without limits and pursue those dreams with dedication. For it is this blend of vision and perseverance that transforms potential into remarkable achievements.

To our students, I say **dream without limits and strive with purpose**; let your dedication silence every doubt and let your actions shine brighter than your ambitions.

Together, as educators, parents, and mentors, let us stand united to guide our young learners toward a future where they don't just achieve their dreams, but also shape a world enriched by their contributions. For in their success lies the promise of a brighter tomorrow.

Education is not the filling of a pail, but the lighting of a fire."

— William Butler Yeats

Let bygones be bygones

Let us ring bells of the New Year with gaiety. As we celebrate this season, let us remember.....

Congratulations on Outstanding Achievement

The CBSE Regional Science Exhibition was held on 16th and 17th November 2024 on the theme Resource Management. Our Student Aadrika of class 9 showcased an innovative model on sustainability. The exhibition encouraged scientific thinking and responsible use of resources. It was a successful event with enthusiastic participation and creative ideas.

Reyansh of Class 10C participated in the Young Innovators Program 2025 organized by CCMB. He actively engaged in the event, gaining valuable exposure to scientific research.

Anirudh Pai participated in the INSPIRE Awards District Level Science Exhibition held at NSKK High School, Dundigal on 22nd and 23rd November 2024, guided by mentor teacher Ms. Nimisha Sharma. He showcased a Security Camera project that uses facial recognition to detect intruders and alert the owner. The project was built using Raspberry Pi Zero W, a camera module, and Python with OpenCV.

OLYMPIAD RESULTS

We are proud to announce the remarkable achievements of our students in the recently held Olympiad examinations. Their dedication, hard work, and pursuit of excellence have brought laurels to our school. Several students secured top ranks at the school, state, and even national levels in subjects such as Mathematics, Science, English, and Cyber Olympiads.

Inter School Literary and Cultural Fest 'KALANJALI'- 2024

Vikas The Concept School participated in an Inter School Competition "Kalanjali" hosted by Kennedy High The Global School on 9th August 2024. Students of class 6th took part in the painting competition "Kalakriti" on the Theme- Save Water. Out of seven schools our school bagged 2nd and 3rd positions. The competition not only provide platform for children to display their creativity and self expression but also promoted perseverance, artistic techniques and competition spirit.

It was organized by Kennedy High The Global School, where in the students of Vikas The Concept School participated in Category A-Class V – SWAR SUDHA(Group Singing),the Theme being Nature:Folk Song.

SIP Arithmetic Genius Contest 2024

Arithmetic Genius Contest is designed to generate higher interest and involvement toward Arithmetic and Numbers at a very young age.

Students were excited to participate in this contest which was held on 13th August to transform their skills, build confidence and a passion for life long learning.

Siksha Saptah 2024

Vikas The Concept School celebrated Siksha Saptah from 22nd to 29th July, promoting skill-based and holistic learning.

The week featured innovative, fun-filled activities that connected students and teachers with the community.

Art Integration, as highlighted in NEP 2020, was a key part of the programme.

The event also focused on health, reinforcing the idea that a healthy child builds a healthy nation.

At “TATVA INTER SCHOOL COMPETITION”,our school students participated in various events and received various prizes.

Sports Clusters

The BHEL Cluster School Kho-Kho Tournament 2024, hosted by Vikas The Concept School, was a grand success. The event was inaugurated by Dr. K. Anil Chowdary, who emphasized teamwork, discipline, and sportsmanship. Exciting matches showcased the agility and skill of young athletes, cheered on by supportive peers. Sri Sanjeev Kondapalli presented awards to the winners during the prize distribution ceremony. Principal Sri K. Durga Kumar Reddy thanked all participants and highlighted the values of fair play and unity.

Our students won multiple medals across various categories in the Badminton competition hosted by Pioneer School. Their outstanding performance brought pride to the school.

Our U-16 Boys Volleyball team secured 3rd place in the BHEL Volley Cluster Tournament with an impressive performance. Their teamwork and determination were truly commendable.

Our U-16 Boys Basketball team won 3rd place in the Sahodaya BHEL Cluster Competition. Their effort and team spirit were commendable.

N.Nithya Sri won silver medal in 200 mts running race cluster VII T.S and A.P qualified for national level.

TRIPS

RAJASTHAN EXCURSION

A group of 79 students from Classes IX, X, and XII of Vikas The Concept School went on a Rajasthan excursion from October 4th to 9th, 2024. They explored Jaipur, Jodhpur, and Jaisalmer, visiting famous landmarks like Amber Fort, Mehrangarh Fort, and Jaisalmer Fort. The highlight was a thrilling desert safari in the Thar followed by a vibrant Rajasthani cultural show.

The trip offered a perfect mix of history, culture, and adventure through real-world learning.

It was a memorable experience that strengthened friendships and broadened students' horizons.

PICNIC - MUCHINTAL

Students enjoyed a fun-filled picnic to Farmers Park near Muchintal, blending learning with excitement. They explored tree species, tried traditional ploughing, and enjoyed bullock cart rides. The day ended with a joyful rain dance, making it a truly memorable experience.

Students from Classes 6 to 10 went on a field trip to Ananthagiri Hills in Vikarabad district, Telangana. They enjoyed night camping, stargazing, and exploring the scenic beauty of the Eastern Ghats. The trip offered a great opportunity to learn about the local flora and fauna in a natural setting.

Epistemo School conducts MUN every year with the intent of teaching skills like research, public speaking, debating, writing, critical thinking, teamwork, and leadership. A total of 280 students from various schools participated in “Epistemo MUN 2024–2025,” out of which 109 students from Vikas The Concept School, represented various countries. Impressively, 38 of them won prizes and cash awards in various committee positions.

ACHIEVEMENTS

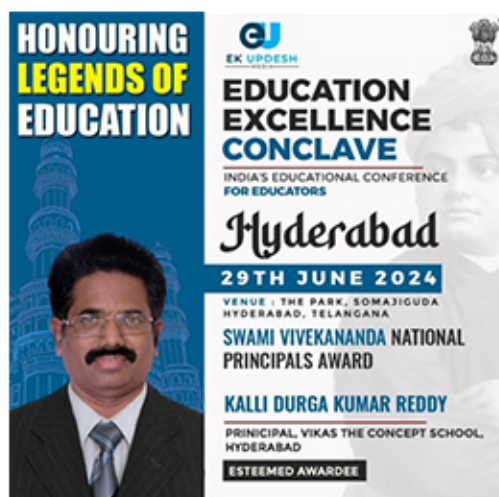

We are glad to announce that our RIDS projects have been officially approved bringing an international dimension to our institution and earning us a perfect score of 68 out of 68 points.

We are proud to share that Sri Durga Kumar Reddy, Principal of Vikas The Concept School has been recently honoured with the esteemed “Lead India Acharya Devo Bhava” award. This prestigious recognition celebrates his exceptional leadership and dedication to student success. This award is presented by ITTRODD .

We are proud to share that our Principal, Sri. K. Durga Kumar Reddy, has received the Swami Vivekananda National Principal Award. This prestigious recognition honors his exceptional leadership and dedication to education.

WORKSHOP

A workshop was conducted by Vikas The concept School in the school campus. The orientation was conducted by Mr. SomShubhrakar makar from Orient Black Swan.

IIIT-H conducted a workshop for Class 8 students on the occasion of Safer Internet Day. Students participated with great enthusiasm, learning about safe and responsible internet use.

Ms. Neelima K. and Ms. Ratna K. attended the CS GEMS Super Teachers Workshop at T-Hub, Madhapur. The workshop provided valuable insights and strategies for enhancing classroom teaching.

SENSES – A Smart Board Panel training session was conducted for teachers. The session aimed to enhance digital teaching skills and classroom engagement.

A special session was conducted for the Social Science Department teachers by the Pearson team. The session was led by resource person Shri Vijay Kiran Agastya, focusing on innovative teaching strategies.

NATIONAL CADET CORPS

It is a delight to share about significant additions to our school's extracurricular activities. The National Cadet Corps (NCC) program was introduced at our school, effective from January 2024.

The results declared for the NCC, 1st batch revealed 100% pass percentage

We got 22 - A Grades, 26 - B Grades and 2 - C grades

Cadet Dasari Abhiram proudly participated in the All India Trekking Camp at Araku Valley.

The camp offered a challenging and enriching outdoor adventure experience.

CPL Siddhi Saraf participated in the TSC-IGC held at Ananthapuram

OUR BUDDING POETS SHINE IN RATNASAGAR GEM READER COMPETITION

We are delighted to share the proud achievement of our students in the Ratnasagar Gem Reader Poem Writing Competition held on the theme “Endangered Animals.” The competition was open to students from Classes 5 to 10 and encouraged young minds to express their creativity while spreading awareness about protecting our planet’s precious wildlife.

From our school, a number of enthusiastic students participated and showcased their poetic talent with heartfelt verses on endangered species. Out of the many entries received, 10 poems were selected for publication in the Gem Reader article, which is indeed a moment of pride for our school.

What makes this achievement even more special is that five of the selected poems belong to our Class 5 students. Their imagination, compassion for nature, and love for animals found a beautiful voice through poetry, and their works now stand recognized at a wider platform. We congratulate all the young poets whose work has been published and encourage every student to continue using the power of words to inspire .

VISIT TO RASHTRAPATI BHAVAN

COMMEMORATING 75 YEARS OF CONSTITUTION

As a part of Constitutional Formation Day, classes 4 and 5 embarked an educational trip to Rashtrapathi Nilayam on November 26.

During the visit, our young explorers discovered the museum, showcasing our nation's history, Official rooms, the kitchen tunnel and the Nakshatra.

On the whole it was a fulfilling Educational Experience.

GRADUATION CEREMONY

A COLOURFUL JOURNEY FROM ABCS TO NEW BEGINNINGS

Kindergarten Graduation Ceremony

The Kindergarten Graduation Ceremony was a heartwarming celebration of our little learners' first milestone in their educational journey. With cheerful smiles and sparkling eyes, the tiny graduates stepped onto the stage, brimming with pride and confidence.

Parents beamed with joy as they witnessed their children's growth – from curious preschoolers to confident, enthusiastic learners ready to embark on their primary school adventure. The ceremony beautifully reflected the values of learning, creativity, and togetherness that Vikas nurtures in every child.

It was not just a farewell to Kindergarten, but a warm welcome to new beginnings and bigger dreams.

KINDERGARTEN FOOD FESTIVAL

Food festivals in Kindergarten are impactful awareness programs fostering cultural awareness, sensory exploration, and social skills via interactive experiences highlighting diverse cuisines. They encourage healthy eating, community involvement, and creativity, rendering learning fun for youngsters. Blending tradition, taste, and enjoyment, these festivals aid holistic growth.

CELEBRATIONS AT VIKAS THE CONCEPT SCHOOL BLENDING CULTURE, VALUES & PATRIOTISM

At VIKAS , every festival and national event is celebrated with enthusiasm, joy, and learning, making our campus vibrant and value-filled.

Krishnashtami – The little ones dressed up as Lord Krishna and Radha stole everyone's hearts with their innocence and charm. The air was filled with devotion as students sang bhajans and performed dances and breaking of the sacred pot spreading the message of love and righteousness.

Christmas Celebration in kindergarten is a joyous and heartwarming experience, filled with excitement and creativity. This year, the highlight of the event was a delightful skit on the Nativity performed by the children. The celebration began with cheerful carols, setting a festive tone for the day. The children, dressed as angels, shepherds, wise men, and the Holy Family, brought the Nativity story to life with innocence and enthusiasm. Their performance showcased the birth of Jesus Christ, emphasizing the values of love, peace, and kindness.

Ganesh Chaturthi – With eco-friendly Ganeshas the celebration emphasized faith along with responsibility towards nature. Prayers, songs marked the occasion, in blessings of Lord Ganesha for wisdom and prosperity.

Independence Day – A day of pride and patriotism. The toddlers painted tri coloured flag on their cheeks which showcased their love for the country.

Through such celebrations, we not only keep traditions alive but also instill values and responsibility towards the nation.

PLANTATION - SOWING THE SEEDS

Planting seeds is a fun and exciting activity for little gardeners! We take tiny seeds and gently place them in the soil. Then, we cover them with soil, give them water, and let the sunshine help them grow. With love and care, the seeds sprout into little plants and later become big, strong trees or colorful flowers.

Planting helps us take care of nature and gives us fresh air, fruits, and vegetables. Let's plant more seeds and watch them grow into something beautiful!

YOGA DAY

Breathe, Stretch, Shine – Vikas School Marks International Yoga Day

Vikas School joyfully celebrated International Yoga Day under the guidance of Narayana Guru, creating an atmosphere of peace, balance, and well-being. The program began with a warm welcome and a brief introduction on the importance of yoga in daily life.

Students and teachers enthusiastically took part in various asanas. Mr. Narayana Guru explained each posture, its benefits, and how practising yoga regularly helps improve concentration, flexibility, and emotional balance.

The session also highlighted the uses of yoga—from strengthening immunity and reducing stress to improving memory and cultivating a positive mindset. Students keenly listened to valuable tips on how simple breathing exercises and stretches can be integrated into their daily routine.

The celebration concluded with a meditation session that left everyone refreshed and motivated to adopt yoga as a way of life. The day truly reinforced the message that “Yoga is not just an exercise, it is a way to connect body, mind, and soul.”
